SHOOTING GROUND

INTRODUCTION TO BISLEY SHOOTING GROUND

Bisley Shooting Ground, which lies in an unspoiled setting of 3,000 acres of Surrey heath and woodland only 30 miles from London, has been described as the most beautiful shooting ground in the Country. We are passionate about the sport and lucky to have arguably the best instructors in the country who share our enthusiasm.

Whether a novice looking at starting this exciting sport, or a seasoned pro looking for a challenge, the grounds are continually being developed to ensure an unrivaled service and variety of targets. From rising teal, bolting rabbits, driven grouse and bursting partridges, to the challenge of the highest clay pheasants in Europe (over 200 feet).

We are open 7 days a week for Tuition and Practice with an instructor or a guide, bookable in advance.

Whether you shoot regularly or have never shot before Bisley Shooting Ground has expert instructors and a large range of shotguns to ensure maximum comfort and minimum recoil for all men, women and children. If you have your own gun we would always encourage you to use it, remembering that correct gun fit is most important.
