INTRODUCTION TO BISLEY SHOOTING GROUND

Bisley Shooting Ground, which lies in an unspoiled setting of 3,000 acres of Surrey heath and woodland only 30 miles from London, has been described as the most beautiful shooting ground in the country. We are passionate about the sport and lucky to have arguably the best instructors in the country who share our enthusiasm.

Whether novice looking to start this exciting sport, or a seasoned pro up for a challenge, the grounds are being continually developed to ensure an unrivalled service and variety of targets. From rising teal, bolting rabbits, driven grouse and bursting partridge, to the challenge of the highest clay pheasants in Europe (over 200 feet).

We are open seven days a week for tuition, practice and group shoots.

PRIVATE EVENTS, STAGS, HENS, COPRORATES

From the seasoned pro to the complete novice, individual to groups alike, Bisley Shooting Ground has expert instructors and a large range of shotguns to ensure maximum comfort and minimum recoil for all men women and children. Come along and explore the UK's largest clay shooting ground for yourself. If you have your own gun we would always encourage you to use it, remembering that correct gun fit is most important.
