Frequented by Olympians, GB and County Shots as well as seasoned shots and complete novices, this is an activity where everyone is guaranteed to have a blast.

The beauty of being the largest sporting clay ground in Scotland is that everything that you need is on site. Therefore you can really get the most out of your corporate event whilst enjoying the huge variety of sporting targets which emulate everything from rising teal, bolting rabbits and driven grouse, to bursting partridge and pheasant.

# Clay Shooting For All

Clay shooting is one of the most inclusive and fun activities you can do; it ensures that you can invite anyone in your organisation, knowing that they will have a wonderful time irrespective of their shooting ability or experience. The beauty of clay shooting with Bisley at Braidwood's professional instructors is that you don't need any experience at all.

From start to finish your corporate day will be organised down to the last detail so that you and your guests can relax and enjoy the experience. Voted "excellent" with a 4\* Visitor Attraction by Visit Scotland, shooting with Bisley at Braidwood means you benefit from a magical setting overlooking the beauty of the Scottish Borders, just over an hour south of Edinburgh, whilst enjoying the best clay shooting with the country's foremost instructors.

With a huge array of shotguns to suit all shapes and sizes, specially loaded cartridges that give less recoil, and up to 6 traps on each stand, skill is no longer a pre-requisite to teams. This means that an experienced shot can be in the same team as a complete novice, with targets tailored to suit each individual.

Gun hire, professional instruction, clays, cartridges, eye and ear protection and insurance are all included, along with soft refreshments, so all you need to do is arrive and enjoy the day.

# Mixed Ability Groups

We understand that corporate entertainment and team building days are about individuals coming together and networking, so any prior experience or skill should not be the deciding factor in setting teams.

Unlike other sports you don't need to buy anything to shoot with Bisley at Braidwood. Just dress according to the weather and we'll take care of the rest. Our staff focus on making the day run seamlessly, so you can enjoy it to the full.

The ground has the luxury of having over 90 automatic traps distributed over 25 shooting stands, allowing for different degrees of difficulty in target. As such you can ensure that your groups are made up of individuals you want to bring together, rather than basing it on individuals previous shooting experience.

As groups move from stand to stand, there is also plenty of opportunity to catch up or boast about those outstanding shots taken!

# Catering

Relax and enjoy delicious, fresh, home-cooked food in the Bisley at Braidwood Clubhouse, or make the most of a sunny day and enjoy a BBQ using locally sourced produce from our award-winning suppliers. Our café can seat up to 100 guests, with additional picnic tables outside if the sun is shining.

As well as delicious main meals, we can also provide snacks on the ground whilst you shoot. Alternatively, if you have an idea or a special request, just let us know and our team will do our best to make this happen.

If you would like to serve alcohol at your event please call us to discuss.  
N.B. Alcohol consumption is only permitted after shooting.
