

# BISLEY SHOOTING GROUND

*Sporting Clay Shooting at its Best*

*“The clubhouse, grounds and targets are second to none. It is a unique experience that I would recommend to anyone”.*

*Peter Wilson MBE – GB Olympic Gold Medallist 2012*

Bisley Shooting Ground, just 30 miles from central London, is Europe's largest shooting ground and the flagship ground of the Bisley Shooting Group. Located within 3,000 acres of stunning Surrey heath and woodland, Bisley Shooting Ground is described by many as the country's top shooting school, with industry-leading coaching from instructors who shoot for their country and county. Our quintessentially English Victorian Clubhouse originally built in 1865 is the perfect venue to relax, entertain and enjoy with colleagues, friends and clients after some exhilarating clay shooting, whatever your experience.

With a shooting history dating back to the 19th century, as well as being praised and frequented by the best in the business including British Olympic Gold medalist, Peter Wilson, the Bisley Shooting Group is a family owned business steeped in history.

Sporting Clay Shooting at its Best

Our experienced staff understand the need to be both efficient and flexible, to ensure that you and your guests get the most out of your day. The beauty of clay shooting at Bisley Shooting Ground is that you are not only in a beautiful setting with some of the country's best instructors, but that this really is a sport for everyone, whatever their ability or experience. Our staff focus on making the day work like clockwork and looking after you and your guests so that you can enjoy the day to the full.

As the largest sporting clay ground in the Europe, Bisley Shooting Ground benefits from practically no queuing even with events of up to 300 people. Having up to 5 automatic traps on each shooting stand allows for different degrees of difficulty in target so that a novice, who may shoot a slow straight target, can be in the same team as a seasoned pro who may shoot a bursting crosser. The beauty of this is that we understand that corporate entertainment or team building days are about individuals coming together and networking, so any prior experience or skill should not be the deciding factor in setting teams.

Unlike other sports you don't need to buy anything to enjoy clay shooting at Bisley Shooting Ground. Just dress according to the weather and we will take care of the rest.

With a vast array of shotguns and specially loaded cartridges that provide less recoil, we have everything to ensure maximum comfort and fit for all shapes and sizes. Gun hire, instruction, clays, cartridges, safety equipment and insurance are covered, so all you need to do is arrive and enjoy the day.

Challenge yourself with a huge variety of sporting targets, from simulated rising teal, bolting rabbits and driven grouse to bursting partridge.

No experience necessary.

Relax and enjoy fine dining in the comfort of the Victorian Clubhouse. The dining room seats up to 75 people, or for larger parties we have marquees available.

Events at Bisley Shooting Ground can be as bespoke as you wish, however to make things easier we have a range of packages available from Meet & Shoot Off-Site events, to 75, 100 and 150 clay days.

Your day will start at 9:15am with a delicious shooters breakfast served in the drawing room of our 1865 Victorian Clubhouse. Breakfast consists of fresh fruit, pastries, tea, coffee, orange juice and plenty of our renowned ciabatta crispy bacon rolls. Guests will be registered at reception and be introduced to the day by our shooting manager and the host of the day.

Teams will then be introduced to their professional instructions and be given a brief eye-dominance and gun fit check before shooting starts. The instructors will take the teams on a variety of exciting stands, providing tuition as necessary to the individuals to ensure maximum fun.

After a great day of shooting, good company and plenty of fresh country air it is only fitting to retire to the bar for a few drinks before moving to the dining room to enjoy a hearty three course lunch. We are able to offer a wide range of fine wines to accompany your meal and our fully stocked bar offers a selection of beers, spirits and soft drinks.

Prices start from £140+vat. To view the full range of packages see our website or telephone our Corporate Manager Nancy French on 01483 795 052.

## Prizes

The beauty of a clay shooting event at Bisley Shooting Ground is that thanks to the incredible instruction, beautiful setting and world-class grounds, everyone from experienced to novice will come away buzzing.

To add another element of fun we have a selection of all important prizes which can be awarded to Top Gun, Top Lady, Top Team and of course the Clay Conservationist! Prizes range from glass paperweights to shooter trophies, books on '101 Shooting Excuses', caps, notebooks and more.

Bisley Shooting Ground Events can be as bespoke as you wish.  
Best of all, no experience is necessary.
